Warden Investigator Mike Bowditch already has a troubling mystery on his hands: finding the archer who mortally wounded Maine's only wild wolf. Then he learns his best friend, Billy Cronk, has been released from prison after heroically defending a female guard from a stabbing. Mike comes to believe the assault was orchestrated by a wider criminal conspiracy. When the conspirators pursue Billy's wife and children to a safe cabin in the woods, Mike rushes to their defense only to find himself outnumbered, outgunned and maybe out of options.
