

**Title:** The Big Dumb Bird Journal

**Author:** Matt Kracht

**Description:**

From the author of the bestselling Field Guide to Dumb Birds of North America comes this field journal for your own dumb birding!

An irreverent twist on bird watching, this paperback journal has plenty of space to record notes, sketches, and observations of birds and their bullshit. Interspersed throughout are snarky tips, reference pages, and bird facts, making this the ultimate journal for serious birders and casual bird fans alike.
